**THE PERFORMANCE ACADEMY
FIDDLE CLASSES!**
2008

Progressive fiddle method for two or more fiddlers with accompaniment

-----***BUILDING COMMUNITY WITH MUSIC***
-----***CREATING PURPOSE FOR PRACTICE***
-----***MOTIVATING THROUGH INSPIRATION***

***NEW WEEKLY CLASSES ON THURSDAYS, FOR THREE LEVELS:
4:00, 5:00 & 6:00 PM!!!!***

The Performance Academy is a comprehensive, and progressive fiddling method that focuses on three styles of music: bluegrass, old-time, & Celtic. Other popular acoustic styles may be included as well with secondary emphasis. The program is offered exclusively by pre-paid semester & includes 3 separate classes for each level of pre-beginning, beginning & intermediate per session, culminating in a joint performance presented as a professionally produced show. Content of workshops will be tunes, technique, theory, improvisation & performance coaching. Materials provided will be 3 pre-recorded CD's, one of technique, one of slowed down tracks and one of the session's performance material, with the corresponding printed music. All classes are hosted by Hammond Ashley Violins.

This focused program will launch the dedicated student into fun, rapid musical development. The goal of this multi-aged program is to create purpose & community with music, generating donations from the performances to benefit financially disadvantaged school children in need of musical instruments through a non-profit distribution organization (Mr. Holland's Opus).

The Performance Academy '08 Session dates:
Session 1: January-March
Session 2, April-June
Session 3 September- December

Price: \$290.00 per student for 12, fifty minute classes, plus the Master Mentor Series, with a guest teacher.
