Student Progress: Average practice time is 1 hour per day for adults and ½ hour per day for children. No results are guaranteed as they depend on individual aptitude/efforts. Students usually learn 4-5 tunes per week.

DONATIONS: Supporting music in our schools through your efforts and donations.

The Performance Academy, raised nearly \$3,000 in our first 4 years through our performances and donated to Mr. Holland's Opus Foundation to buy instruments for school children throughout the US. Our current focus for these efforts has become local. Celia is director of a non-profit educational 501 c3 organization that donates fiddles to local San Diego schools by offering tax donations for no longer used instruments. Cash and instrument donations can be made to Enthral Inc for educational programs and the donate a fiddle program. <http://www.enthrallinc.org/donateafiddle.html>

GROUP CLASS DETAILS: Children-1/2 hour. Make-ups are not possible because of the group class format. Discount prices are already offered to compensate for the 1-2 classes the student might miss. Classes are taught by teachers qualified in the program. Studios are closed for Thanksgiving/Christmas/New Year's weeks. Studio locations occasionally subject to change with a few miles, with notice.

Students have the opportunity to participate in 3-4 local performances per year.

I have read, understand and agree to the above information and am willing and able to receive and respond to updates and information via email. I am signing up for the next exciting available 12 week session
